ABORIGINAL & TORRES STRAIT  
ISLANDER COMMUNITY TRADING  
SERVICE CO-OPERATIVE LIMITED

Aboriginal & Torres Strait Islander people experience a burden of disease two and a half times that of other Australians. Some of these chronic diseases such as cardiovascular disease, diabetes, cancer, chronic respiratory & chronic kidney disease can be reduced by early intervention & self management of risk factors. If you haven't had a recent health check see your Doctor or have a yarn with a Health Worker about how you can better manage your health.
